

May 2007 Update

After considering comments received on the 1/8/07 draft rules, the Department has completed another draft amending the rules contained in Arizona Administrative Code Title 9, Chapter 11. Files containing the draft rules for each type of health care institution affected by the rules have been posted online for informal public review.

The Department will receive informal comments on this 5/4/07 draft until May 15, 2007. After that date, the Department will file a Notice of Proposed Rulemaking with the Office of the Secretary of State.

If you have comments on the posted draft, please contact Mark Gula, Rules Analyst, at (602) 364-0989 or via email at gulam@azdhs.gov.
